

2017 OIRM TRAVEL AWARDS – ISSCR Annual Meeting in Boston

OIRM trainees (graduate students & postdoctoral fellows of an OIRM PI) that are planning to submit an abstract to the International Society for Stem Cell Research (ISSCR) 2017 Annual Meeting in Boston (June 14-17, 2017) may qualify for an OIRM travel award. There will be 10 awards available (\$1,000 CDN per award) for OIRM trainees who have had their **abstract accepted for ISSCR 2017 meeting (podium or poster)**. Funds from the travel award can go towards meeting registration, flight, hotel and meals (as per the OIRM trainee travel awards expense policy).

Abstracts are due to ISSCR by **Tuesday January 24, 2017**; see ISSCR abstract guidelines for more information. Abstract presentation notifications will be sent by ISSCR by Wednesday March 29, 2017. OIRM is not involved with the abstract submission or review process.

Those selected by ISSCR to present an abstract at the meeting in Boston (podium or poster), can then apply for a travel award by completing the application form below. Please submit the completed application package to jodi.garner@oirm.ca by **Friday, April 14, 2017 (12:00 pm EST)**. Award winners will be informed by OIRM by **Monday, April 24, 2017**. Please note, if you receive other travel awards for this conference, OIRM will deduct this amount from the \$1000 OIRM travel award.

Application Form (Submit all sections as one PDF document)

A) Fill in the table below:

CANDIDATE INFORMATION		
Surname:	Given Name:	Year of Study:
Position: <input type="checkbox"/> MSc Student <input type="checkbox"/> PhD Student <input type="checkbox"/> Post-Doctoral Fellow		
Presentation format: <input type="checkbox"/> Poster <input type="checkbox"/> Podium		
Institution & Department Name and City:		
Email:		Phone Number:
Address:		
OIRM PI INFORMATION		
Surname:	Given Name:	Title:
Institution & Department Name and City:		
Email:		Phone Number:
