

**OSCI**

Ontario **Stem Cell** Initiative

**ONTARIO STEM CELL INITIATIVE INTERNATIONAL  
POSTDOCTORAL FELLOWSHIP PROGRAM COMPETITION**

Application Form

Prior to completing this application, you must contact the OSCI PI of interest to collaborate on the development of your research project. Once your PI has agreed to sponsor you, complete Section 1 and finalize supporting documentation in Section 2. Submit application and supporting documents directly to your proposed PI. Your proposed PI will sign off on the form and submit on your behalf to OSCI for peer review.

***The PI of interest must submit the application and supporting documents to OSCI by Friday, March 14, 2014.***

**SECTION 1: Personal Information**

**Surname:** \_\_\_\_\_

**Given Names:** \_\_\_\_\_

**Title:**

- Dr  
 Ms  
 Miss  
 Mrs.  
 Mr.  
 Other, \_\_\_\_\_

**Gender:**  Female  
 Male

**Citizenship:**

- Canadian  
 Landed Immigrant (in Canada)  
 Other, \_\_\_\_\_

**Your Current Address:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Your Current Phone (+ country code): \_\_\_\_\_

Your Current Email address: \_\_\_\_\_

Current Position and Institution: \_\_\_\_\_

\_\_\_\_\_

Current Institution Address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Date of PhD completion (or estimated date of completion): *i.e. March 27, 2010*

\_\_\_\_\_

Institution where PhD was completed: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Proposed Research Project:**

Title of Project:

Proposed Start Date (must be in 2014):

Proposed Supervising OSCI PI:

**Applicant Signature Block:**

*I certify to the best of my knowledge, all of the information in this application is accurate.*

**Signature:**

**Date:**

**Supporting OSCI PI Signature Block:**

*I support this application to the OSCI Stem Cell Initiative Postdoctoral Program and will supervise this candidate in my lab for the duration of their postdoctoral fellowship.*

**Print Name:**

**Signature:**

**Date:**

**\*PIs, please note there is a limit of one candidate submission per PI. Please submit application form and supporting documents, in a single PDF (max 8MB), if this is not possible, please submit two PDFs labeled Part I & Part II, on behalf of your candidate by Friday, March 14, 2014 (Midnight) to:**

Sandra Donaldson, Program Manager, Ontario Stem Cell Initiative  
[sandra.donaldson@ontariostemcell.ca](mailto:sandra.donaldson@ontariostemcell.ca)

## **SECTION 2: Supporting Documentation**

**Please include the following with your application:**

- Detailed Curriculum Vitae including education, academic achievements and relevant research/work experience, please provide dates and locations [limit of 2 pages]
- Provide a list of your research publications; only include work that has been published or is in press [no page limit]
- An outline of your research proposal that must be completed in collaboration with your proposed OSCI PI. This should include any preliminary findings, a brief outline of the proposed project, and the expected deliverables of the project [limit of 2 pages including tables and figures]; maximum of 50 references [limit of 2 pages]
- Letter of support from your postdoctoral supervisor (if postdoctoral position has already started) [limit of 1 page]
- Letter of support from your PhD supervisor (mandatory) [limit of 1 page]
- Reprints of your published papers
