

Ontario Institute for
Regenerative Medicine

Membership

OIRM is a network of 1700+ stem cell biologists, bioengineers, clinicians, industry and business leaders and their trainees working within stem cell and regenerative medicine in Ontario. With members located in nine cities across the province, we are a community that supports collaboration between labs and across disciplines to advance both basic research and clinical translation.

has its
benefits

OUR VISION

OIRM is working to revolutionize the treatment of degenerative diseases, making Ontario a global leader in the development and commercialization of stem cell-based products and therapies.

PI Membership

Membership to OIRM is free and open to any full-time faculty at an Ontario university or affiliated research institute. Members are required to have published academic papers in the field of stem cell and regenerative medicine or have a strong interest in regenerative medicine approaches in their area of clinical expertise.

As members, researchers may:

- Apply for **research funding**
 - » Disease Team Grants (up to \$750k, annual competition)
 - » New Ideas Grants (up to \$75k, annual competition)
- Join the **Clinical Trials Initiative** to participate in workshops focused on problem solving in areas of clinical trial set-up, design and regulation
- Be part of OIRM's **Annual Symposium**
- Access **business development and cell manufacturing support** through our commercialization partner, CCRM
- Engage in OIRM-facilitated international partnerships, events, and public and patient **outreach activities**
- Receive OIRM's monthly **newsletter** and notifications of news and events relevant to the community
- Gain **benefits and funding opportunities** for trainees (see below)

Trainee Benefits

Trainees in OIRM member labs (identified by their PI) may:

- Access **Postdoctoral Fellowship funding** (up to \$50k/year for 3 years)
- Participate in OIRM **training workshops** offering a range of technical and soft skill development
- Apply for **travel awards** to attend:
 - » OIRM and other supported workshops
 - » OIRM Annual Symposium
 - » ISSCR Annual Meeting
 - » Till & McCulloch Meetings
- Get involved in OIRM's public and patient **outreach projects**
- Attend or participate (via live webcast) in regular **seminars and workshops**, including:
 - » OIRM's Think and Link Rounds
 - » Global Speaker Series in partnership with Medicine by Design
 - » SMRTS Seminar Series in partnership with AgeWell
- Receive OIRM's monthly **newsletter** and notifications of news and events relevant to the community
- Apply for production of a **Stem Cells, Inked video** on OIRM's YouTube channel
